# LEDGER

WEEKLY REPUBLICAN—1867.  
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., TUESDAY, MARCH 1, 1904.

ONE COPY—ONE CENT.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—  
"A newspaper whose columns overflow with the advertisements of the world has a valuable influence in attracting attention to and helping up a city or town more than any other agency that can be employed. People are more easily influenced by a newspaper than any other medium. Capital and labor will locate where there is an enterprising community. No power on earth is so strong as that of the press, as newspapers well patronized and this power should be appreciated."

## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 23, and let us have it.

In addition to the salary list, claims were allowed to the amount of \$72,83, of which \$5,72 was for the colored school.

The Treasurer also reported \$236.25 collected from outside tuition since September 1st, 1903.

The Finance Committee reported that Treasurer Cochran's accounts were correct in every particular.

On motion of Mr. Davis, the matter of electing a Superintendent of Public Schools was set for consideration and action on the next regular meeting night.

Mr. Davis also urged that for the coming term Drawing be eliminated from the curriculum of the High School, and that Bookkeeping be substituted.

Mr. Robert Yancey has been appointed guardian of James M. Riley, a minor and only heir of Mrs. Nannie Riley, deceased, with the Fidelity Deposit Company of Maryland as surety.

After being cut down 16 feet the amphitheater at the erstwhile Fairgrounds will be moved 60 feet North today to give room for the manufacture of brick on the South side. The immense structure will be moved as a whole, all at one time.

General John B. Gordon, the great soldier and orator, was an Elder in the Presbyterian Church of Kirkwood, Georgia, yet small minds and souls mock at religion and assume that it is worthy the consideration of old women and children only.

The remains of Mrs. Lucy Gurney arrived yesterday from Dayton and were conveyed direct to the Cemetery for interment. They were met by Mr. and Mrs. J. B. Noyes, Major and Miss Jessie Hutchins, Mrs. M. A. Bunker and Charles F. Evans and Mr. I. M. Lane.

Judge William M. Beckner of Winchester, a lawyer and politician of state reputation, is attending Circuit Court. The Judge has many friends here, being at one time a resident of this city. He is here in the schoolbook case of Wells vs. American Book Company.

Mr. Charles Sutton, one of the best judges of horse-flesh in Southern Ohio, and a stable citizen of Aberdeen, paid this office a call yesterday and incidentally paid his subscription to THE LEDGER and thereby received the Editor's thanks with a yellow receipt thrown in. Call again, Charley; there is always a welcome for the likes of ye.

Governor Bockham Saturday signed the bill increasing the salary of the State Librarian from \$1,000 to \$1,200 annually, and also extending the term from two to four years. Miss Pauline Hardin will be re-elected to the position shortly.

With the adjournment of the Legislature a vigorous campaign for the control of the organization of the next Democratic State Convention and the party machinery will be inaugurated. The alignment, as evidenced now, is "Administration" and "anti-Administration," and delegates will be chosen accordingly. Hon. James N. Keohoe will be the candidate for State Chairman of the latter side.

## THE LITTLE HOMESTEAD.

The blind infatuation which turns a wife from her fireside beside her loving husband to go forth to misery and abuse with an unscrupulous scoundrel, brings about all the sorrow and happiness in the magnetic story told by "The Little Homestead," which will be the attraction at the Opera-house on Wednesday, March 24. Through out "The Little Homestead" is of intense interest and appeals to the finer sensibilities. The play is from the pen of W. B. Patton, author of "The Minister's Son." Seats selling now at \$1.50.

## Happy, Healthy Children.

Any child can take Little Early Risers with perfect safety. They are harmless, never grip or sicken, and yet are certain in results that robust constitutions requiring drastic means are never disappointed. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by J. Jas. Wood & Son.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

A FEW days ago two of the country's biggest corporations bumped into each other at Lexington. A C. and O. train smashed a Standard Oil wagon. Now, what will the harvest be?

SENATOR SCOTT of West Virginia will take up the fight against Doctor Woon's confirmation as Major General where the late Senator HANNA left off. Mr. HANNA left in Senator SCOTT's hands a large number of affidavits which will be presented, and which will ruffle the feathers of the Medical Major General the wrong way.

THE Harrison County Grand Jury at Cynthiana returned a true bill of indictment against Judge B. F. FRENCH of Winchester and Eb. CALLAHAN, Sheriff of Breathitt county, charging them with subversion of perjury in compelling and requesting A. C. Adams to perjure himself at the Jett trial last summer in behalf of CURTIS JETT. It is unfortunate that Tom CAMPBELL can never be reached by a Kentucky Grand Jury, else, some day, when reason and justice are re-enthroned in this partisan-ridden Commonwealth, he would be called upon to answer a similar charge in the Caleb Powers trials at Georgetown.

GOOD MORNING; have you seen the sunshine?

POSTMASTER H. B. BRYSON of Carlisle, through The Cynthiana Log Cabin, nominates Hon. SAMUEL J. PUGH of Vanceburg for Congress at next fall's election.

BOB PERRY—genial, jolly Bob, he of The Winchester Sun—Sentinel, has had the Grip with a big G; and here's how he felt—

"I have been in the grip of the grip since last Saturday. If anything is wrong with this page lay it to the grip. No one is responsible for what he does when the grip has him. I lay in bed as long as I can, and then sit up as long as I can. I have not had a doctor, because when I was well enough to send for one I was afraid he would tell me that I was going to die, and when at the worst I didn't care if I did die."

"I think my stomach has been reversed. It don't want to take anything, but insists on emitting things with such horrid tastes that I know I never swallowed anything like them, and in quantities out of all proportion to what I have eaten or drank. The only way I know of to describe this grip is to say that I am sick all over, both inside and outside, from the top of my head to the soles of my feet. I have had every degree of temperature to be found between the polar regions and the tropics. I came near freezing in a warm room and near burning up in a cold room. In my mind I have crossed rivers on floating ice, been pushed into furnaces and from high precipices. Nothing bad ever happened to anyone but what has happened to me in the last four days—in my mind. About fourteen thousand people think they have the grip to one that really has it. Before this I was foolish enough to think that I had experienced several attacks. It was all a mistake. Nothing but a bad cold. I was inclined to poke fun at my friends who made so much noise about a little case of grip, but it's all over with me now. I beg their pardon. From now on anyone, regardless of color or previous condition of servitude, who has experienced a genuine case of grip, and is living to tell about it, will have my sympathy."

## Political Pickings

HERE'S HOPIN' IT WILL!

Louisville Times.

The Storekeepers and Gaugers are reported as having orders to see to it that William O. Bradley will not attend the Republican National Convention as one of the Delegates from the State-at-Large for Kentucky. The "old man eloquent" rightly holds a warm place in the esteem and affection of the masses of the Republican party in this state, whose battles he has been fighting and leading for a quarter of a century, and despite the organized opposition of the officeholders the chances are that when the returns are all in the name of Bradley will head the Kentucky delegation to Chicago.

## Think of Your Teeth!

Don't wait until a dental bill reminds you of neglect. A clean tooth might wear out; it cannot decay. Many who look after their teeth constantly fail in the selection of proper brush. A brush to cleanse perfectly must have genuine bristles, just stiff enough, long enough and so trimmed as to reach every nook and cranny. We pride ourselves on our line of tooth brushes. They are honest, practical ones. We look out for the little points that mean much in tooth saving. We don't recommend the cheaper brushes, but for 25¢ we can furnish the kind that will endure and that will do what they should while they last. Our 35¢ and 50¢ brushes we guarantee to give satisfaction or money back.

The Bonanza will reach Memphis about Friday of this week, and will be the first packet from the Ohio river to enter that port since November 28th.

The Voyager, belonging to the River Coal Company is hard aground at the Sewickley trap. The accident is the fifth that has taken place during the last few weeks. The Tornado went to her assistance and tried to pull her off but without success.

The damage to the twenty-eight coalboats lost in the Sprague's wreck near Memphis is estimated at \$75,000. Incidental to the boat's disaster, James Schaar, Chief Engineer of the Monongahela River Consolidated Coal and Coke Company, from Pittsburgh, has gone to Memphis to superintend her repairs and to investigate the frequent disasters to coal fleets in that section.

Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deep seated in the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining weakened me that I ran down in weight from 118 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength. Sold by J. Jas. Wood &amp; Son, Druggists.

Mr. J. H. Hauchens of Sardis has been appointed a Notary Public.

BRAIN LEAKS.

LUXURY Indulgences or gratifications of taste or sense without benefit other than that of possession.

NECESSITY Indispensable; requisite to contentment; an object necessary to well being.

INVESTMENT The purchase of an article from which a income is derived.

PLEASURE Gentlemanly enjoyment.

TO WHICH CLASS DO PIANOS BELONG?

Most certainly not to the first class, for there is much benefit in a piano other than that of mere possession.

THEORETICALLY PIANOS ARE NOT A LUXURY.

At first glance it would not seem that there belonged to the second class either, yet a piano is "A REQUISITE TO CONTENTMENT." A piano is also "AN OBJECT NECESSARY TO WELL BEING." Yes, on second thought we believe that Webster would say that a piano was a necessity, especially to a well ordered household.

PIANOS ARE SURELY A GOOD INVESTMENT.

The child derives a vanished education that provides a sure steady income no matter what aduersity overtakes it.

PIANOS ARE CERTAINLY A PLEASURE.

A piano affords untold enjoyment and the gratification of knowing that you have secured your loved ones against adversity is certainly worth something.

The NECESSITY of providing for a wise or unwise demands the PIANO ASURE OF AN INVESTMENT in a piano. See our samples at

Last night's Times-Star says: Judge Garrett S. Wall, one of the Kentucky Commissioners to the World's Fair, is a guest at the Grand Hotel.

He speaks in glowing terms of the prospects for the Fair, and says that it will be the greatest one that the world has ever seen. Like everyone else who has come in contact with him, Judge Wall is a great admirer of Governor Francis, and thinks that he would make a splendid candidate for the Vice-Presidency.

The Ohio and Kentucky Buildings at the Fair have not, as yet, been completed, but they will be in readiness in good time for the opening.

DO YOU WANT STRENGTH?

If you want to increase your strength you must do to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Digestive aids to the physical.

It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by J. Jas. Wood & Son, Drug-gists.
